**We are Joyson Safety Systems –
A Mobility Safety Company.**

Společnost Joyson Safety Systems je jedním z předních světových vývojářů a výrobců automobilových systémů na ochranu cestujících s obratem cca 4,8 miliardy EUR a více než s 50 000 zaměstnanci na celém světě. Sázíme na inovaci a pokrok. Jako spolehlivý a kompetentní partner automobilového průmyslu navrhujeme, vyvíjíme a vyrábíme systémy a komponenty na ochranu cestujících. Naše produktové portfolio se skládá z volantů, airbagů a generátorů, bezpečnostních pásů, technických plastových dílů, elektroniky a senzoriky. Zásobujeme téměř všechny renomované výrobce automobilů na celém světě.

Náš tým potřebuje přírůstek do Aschaffenburg —hledáme:

Director of Supplier Quality Nomination and Qualification (all genders)

Stanoviště:

Aschaffenburg

Co můžete provádět — vaše úkoly.

Responsible for establishing a Global Methodology for Nomination and Qualification of suppliers starting from the Design Phase until after PPAP.

Part of the Global Supplier Quality Management Leadership team.

Will monitor and promote the use of proactive systems and component risk assessments as well as development of mitigation plans in advance of pre-selection/sourcing decisions.

Form strategic alliances and partnerships that will enable supplier operations to achieve higher levels of supplier industrialization readiness to better fulfill the corporate and market requirements.

Support the development and execution phase deliverables to assure flawless launch results and supplier readiness including the use of safe launch strategies and problem resolution reviews.

Drive positive supplier relations by ensuring supplier launch preparedness and efficient interfaces for suppliers given advanced/new technology, material, design challenges.

Leverage commodity specific supplier manufacturing best practices during engineering design and development with engineering to ensure the execution of a process-driven design.

Will lead the development and subsequent updates of the critical component list

Drive a “zero defects” attitude across the department.

Drive actions to achieve KPI's and support all supplier quality, capacity and cost targets

Work together with the Purchasing colleagues to define supplier strategy with active participation in supplier nominations in every region.
