

We are Joyson Safety Systems – A Mobility Safety Company.

Joyson Safety Systems ist einer der global führenden Entwickler und Hersteller von automobilen Insassenschutzsystemen mit einem Umsatz von ca. 5,3 Mrd. Euro und weltweit mehr als 43.800 Mitarbeiterinnen und Mitarbeitern. Wir stehen für Innovation und Fortschritt. Als zuverlässiger und kompetenter Partner der Automobilindustrie konzipieren, entwickeln und produzieren wir Insassenschutzsysteme und -komponenten. Unser Produktportfolio besteht aus Lenkrädern, Airbags und Generatoren, Sicherheitsgurten, technischen Kunststoffteilen, Elektronik und Sensorik. Damit beliefern wir weltweit nahezu alle namhaften Kraftfahrzeughersteller.

Joyson Safety Systems is one of the leading global developers and manufacturers of automobile occupant protection systems with a turnover of ca. 4,8 billion euros and more than 50,000 employees worldwide. We represent innovation and progress. As a reliable and skilled partner of the automobile industry, we design, develop and produce occupant protection systems and components. Our portfolio includes steering wheels, airbags and generators, safety belts, technical plastic components, electronics and sensor technology which we supply to nearly all renown vehicle manufacturers worldwide.

Our team in Aschaffenburg needs support and we are seeking:

Vice President (all genders) Global Commodity Purchasing

Site:
Aschaffenburg

What you can change — your duties

Your Activities:

- To lead by example! Follow and make sure that the assigned global commodity purchasing team follows the JSS core values and compliance rules
- To ensure the best price on a global supply market for all JSS components and raw materials
- To develop a comprehensive global commodity purchasing strategy (3-5 years view) based on regional business strategy and PBU strategy
- To ensure global implementation of the commodity strategy including action plans in each region (road maps)
- To manage and optimize the assigned global purchasing organization
- Responsible for strategic and tactical steering of the purchasing volume in the assigned commodities
- To represent the global commodity towards all suppliers and internal stakeholders
- To execute annual price negotiations with all relevant suppliers in order to (over-)achieve the budget PPV target
- Responsible for supplier management starting from new supplier introduction to supplier phase out, compiling supply market intelligence, identifying purchasing risks, opportunities and ensuring data transparency

Development of global supplier strategy and selection of best suppliers for JSS. Searching for, developing and managing suppliers of strategic relevance; building up strategic supplier partnerships

To ensure implementation of global and regional purchasing initiatives (e.g. sourcing committee, processes & procedures, IT tools, etc.)

To collaborate and support supplier quality management to achieve 0 PPM/IMP with all strategic suppliers

To present supplier innovations to our global and regional R&D function and to ensure the implementation, if technically and commercially feasible

Support and execute VAVE programs with all relevant suppliers

Managing the interface with Purchasing Controlling and to support a transparent, complete and consistent reporting of the commodities KPI's

Constantly monitor all relevant KPI's on the achievement of targets, gap to target, actions to close the gap together with the global commodity purchasing team
