We are Joyson Safety Systems –
A Mobility Safety Company.

Joyson Safety Systems ist einer der global führenden Entwickler und Hersteller von automobilen Insassenschutzsystemen mit einem Umsatz von ca. 5,3 Mrd. Euro und weltweit mehr als 43.800 Mitarbeiterinnen und Mitarbeitern. Wir stehen für Innovation und Fortschritt. Als zuverlässiger und kompetenter Partner der Automobilindustrie konzipieren, entwickeln und produzieren wir Insassenschutzsysteme und -komponenten. Unser Produktportfolio besteht aus Lenkrädern, Airbags und Generatoren, Sicherheitsgurten, technischen Kunststoffteilen, Elektronik und Sensorik. Damit beliefern wir weltweit nahezu alle namhaften Kraftfahrzeughersteller.

Joyson Safety Systems is one of the leading global developers and manufacturers of automobile occupant protection systems with a turnover of ca. 4,8 billion euros and more than 50,000 employees worldwide. We represent innovation and progress. As a reliable and skilled partner of the automobile industry, we design, develop and produce occupant protection systems and components. Our portfolio includes steering wheels, airbags and generators, safety belts, technical plastic components, electronics and sensor technology which we supply to nearly all renown vehicle manufacturers worldwide.

We are currently seeking a Director, Pricing Review Group (PRG) at our **Global Headquarters** located in Auburn Hills, MI

What you can change — your duties

Work with regional finance teams to ensure new business quote financial models are adequate, optimized and are consistent across regions.

Define product cost components including material, direct and indirect labor, variable and fixed overhead as well as ensuring application into the approved financial models. Also ensures R&D and SG&A expenses are adequately defined and appropriately included in approved financial models.

Chair PRG review meetings, as determined by policy requirements.

Develop periodic product line and customer profitability reporting.

Perform program profitability analyses for awarded business comparing the actual profitability to quoted profitability.

Opportunity to work with executive management on high-profile business cases and decisions. Have direct interaction with business unit presidents, finance directors and other corporate executives on select facets of the business.

Ability to identify and drive continuous improvement initiatives that improve the profitability of the company's products.

Benchmark select product costs amongst the regions, publishing best proactive costs.

Assist in the implementation of new ERP and planning software.

Assist in the annual budget process.

Impress us - your qualifications

Bachelor's degree in Finance, Accounting or related field. MBA or master's degree considered a plus.

Professional qualification such as CPA or CMA considered a plus.

10-15 years of related experience, preferably in the automotive sector.

Strong understanding of U.S. GAAP and/or IFRS financials.

Strong cost accounting capabilities, particularly in standard costing.

Excellent communication skills in both written and verbal, and strong project and time management skills.

Advanced analytical, critical thinking and problem-solving skills with ability to prioritize and multitask.

Comfortable operating in a fast-paced, dynamic business environment as the Company continues to grow and the Corporate Finance function evolves.

Comfortable in challenging processes and developing recommendations for standardization and efficiency improvements.

Proven ability to partner with the business and work collaboratively with cross-functional teams

HFM, SAP and/or QAD experience preferred.

Experience with planning software solutions is highly desirable.
